WELCOME TO BLC

LET'S HEAR FROM THEM!

I am so blessed with the opportunities that unfold upon joining Blue Lotus College as a student.

Being away from home was a struggle and having to work while studying is another challenge. But I am so lucky that BLC arranged my schedule well giving me the friendliest time which did not only give me enough space to work and study but also an avenue to grow myself up in managing my "longings" being far away from my family.

This is amazing for everyone who wishes to land greener pastures away from their country and family. With BLC, my future is secure.

REA LOU SALARDA

“My experience here in Blue Lotus College is exceptional. The faculty and staff are very welcoming. Adjustments are made as needed to meet the needs of the students. The administration is open minded and they think outside the box to make a successful educational experience for their students. Big thanks to ma'am Katrina. Kudos to the team!”

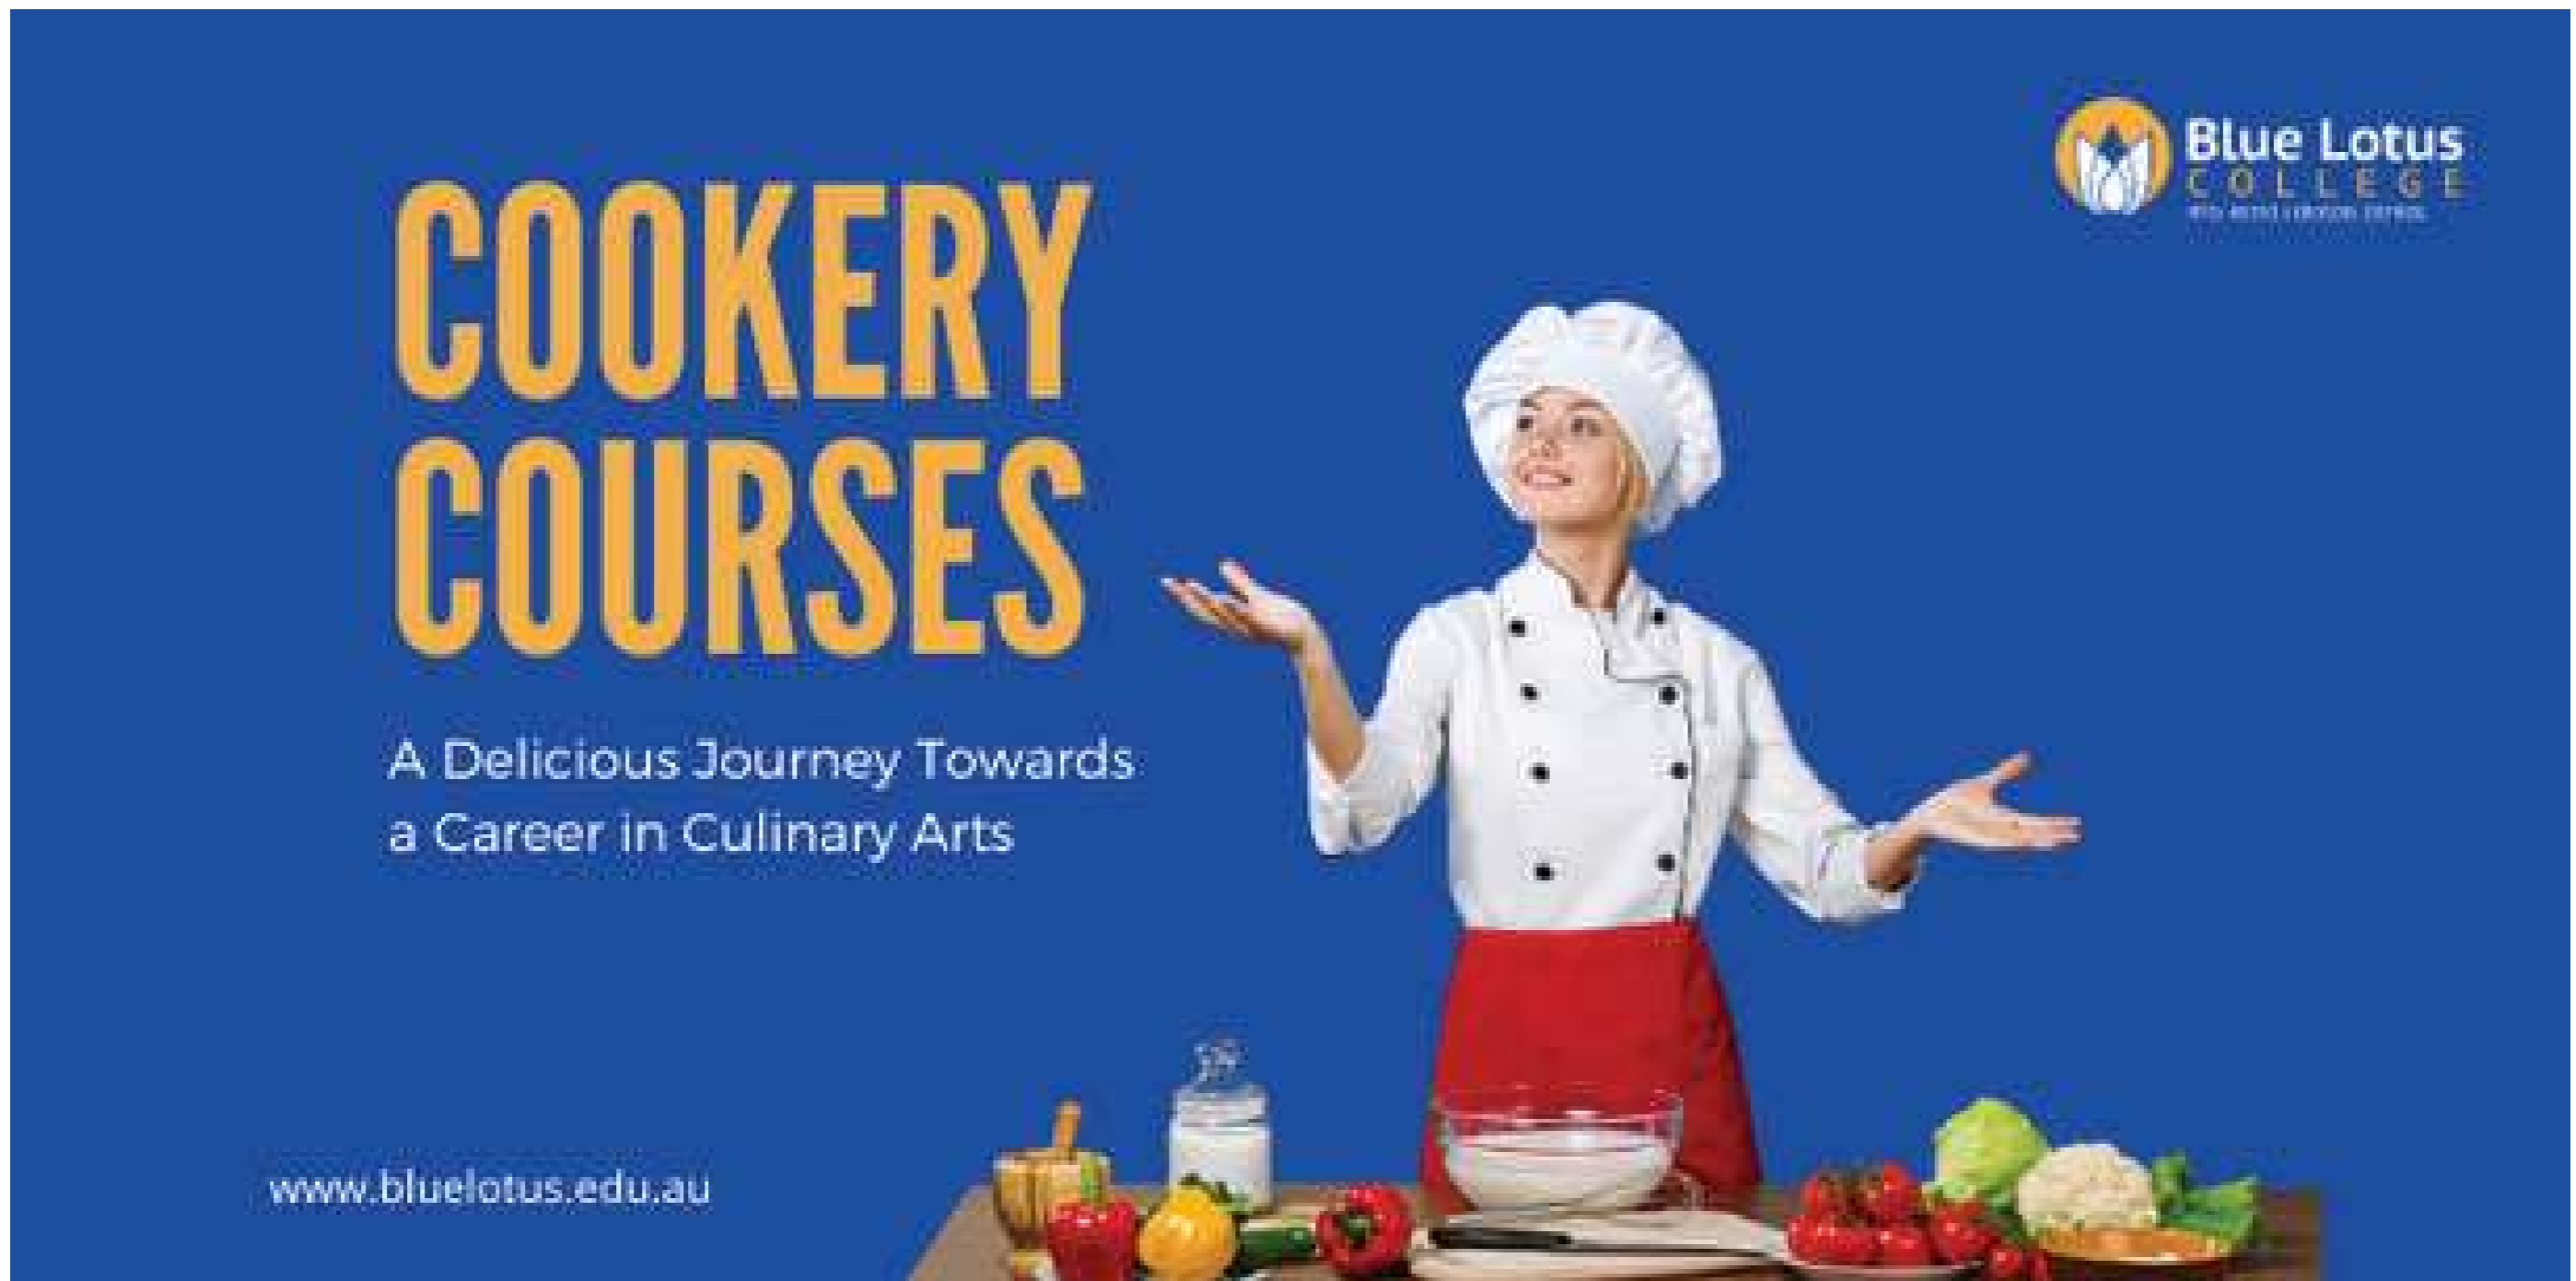

“The school is very welcoming to new students. I'm happy with how nice and accommodating all the staff. Had an excellent experience. I would recommend it to anyone who's looking for a friendly environment and great facilities and of course the facilitator Ms. Zeena Chhetri is really nice, responsive and very helpful especially to the new students.”
